Coyote Willows Golf Course Under New Ownership

Coyote Willows is a 9-hole, 35 par public golf course, located at 426 Hagen's Alley with the entrance at 880 West Hafen Lane, Mesquite, Nevada. For the last nine years, the course has been managed by dedicated volunteers and has recently been purchased by CW Investment Group, LLC, Mesquite, Nevada. Each investor brings their hands on past business experience to the golf course and big changes can be expected over the next few months, as the course takes on its new shape.

Even though, Coyote Willows is a small course, it is big on challenging holes for the seasoned golfer, but enticing to those who are learning and wish to play 9 holes at a 9-hole price. The course has many ponds and roughs that make it uniquely stimulating with challenging tee boxes for the seasoned golfer and less stressful tee boxes for those learning and wish to play a more leisurely game. Pick your poison, depending on how your swing is that day. Do you feel lucky?

Coyote Willows also offers walking rates and youth rates. It is family friendly, and a great place to get those younger ones started. To avoid cart breakdown and dead batteries on the course, Coyote Willows has also purchased gas carts for more reliability.

The golf shop is managed by Laura Findlay of Mesquite, Nevada, and run by numerous volunteers. It is business as usual. We offer snacks and cold drinks to our clientele.

Superintendent of the course is Saul Gutierrez, Mesquite, Nevada. Saul has been with the course for years and has worked diligently to keep it in good playing condition. With the consulting expertise of John Roth, Don Hembree, and Scott Polychronis, the course looks like a smooth velvety green carpet.

The new owners wish to thank all the volunteers, our golfing base, and Mesquite for their continued dedication and support of Coyote Willows Golf Course. We couldn't be doing this without you! We do however ask for patience in the transition. We look forward to hearing from all of you and making new friends along the way.

Ribbon cutting with a grand opening to TBA in February.

Thank you, thank you, thank you-- to all who made Coyote Willows-- "the Best 9-Hole Course" in Mesquite.
